Students with limited English proficiency			Students with limited English proficiency		

<b>School Met Secondary Indicator:</b>	92.20%	(ADA or Graduation Rate)
--	--------	--------------------------

<b>Adequate Yearly Progress Category:</b>	<b>Did not meet Adequate Yearly Progress</b>
---	--

Note: An asterisk (\*) indicates the area(s) where the school failed to meet adequate yearly progress. Some areas may be below the cutpoint, but not identified due to the lack of statistical reliability in small numbers of students. Statistics are not shown for fewer than ten students. An (i) indicates insufficient data to determine 2003-04 adequate yearly progress; value reported results from the combining of up to three years' results.
