Thursday, May 19, 2011

We will be having a jumper castle to help celebrate the end of the school year. Parents are invited to join in on the fun!

A big thank you goes out to Rikki Hewson for the Williston Center and Melissa Zaste at the Trenton Center for doing a safety inspection to help make sure every child is safe. We appreciate your time & efforts.

The deadline for SNAP recipients to contact social services about replacement benefits has been extended to May 27th!

Parents...due to the food losses we sustained from the power outage, we have to request that parents not eat breakfast or lunch for the rest of this school year. You are still more than welcome to be in the classroom and sit at the table with your student, we just won't be able to provide you with a meal. We apologize for any inconvenience.
