May 2011

Principal's Page

Prom is this week, and the weather is FINALLY cooperating. However, it appears that we will have some form of precipitation on Saturday. So this is a friendly reminder to all of you going out for dinner prior to the dance; don't forget to bring some raingear!

We should also be able to get a couple of spring sports activities into the books this week as well. This is a good thing as we are weeks behind and it will be very challenging to get all the games in prior to the end of the school year.

Code of Conduct

This item was in my newsletter last year and I truly feel it is necessary this time of year. Board policy dictates that if any senior gets caught by the police for an offense set forth by the policy, (drinking/smoking etc.), he/she will not be allowed to attend any activities at WHS. The only activity that we have left is GRADUATION!!!! Please strongly encourage your daughter/son to make sound choices so close to the end of the school year.

This leads me into another topic. Baccalaureate! This is a special time where our students get to wear their caps and gowns and attend a voluntary church service as a group. After this service, the students all want to get together and have a camp-

out on the campus of WHS. In the past, there have been incidents where students had the potential of receiving a code of conduct violation because of their actions during this activity. If your son/daughter wishes to attend this activity, just remember the words of former WHS Psychology instructor and football coach Dean Hermes. "Nothing good ever happens after midnight!" I would suggest that you allow your son/daughter to attend this activity but then have him/her come home after midnight. That way there is no chance of a phone call from me stating that graduation has been forfeited because of a lapse of judgment that took place.

Fees

Senior parents, please be sure to check Powerschool so that there are no outstanding fees. These must be paid prior to your son/daughter being allowed to pick up their cap and gown for graduation.

Professionally,
Chris Kittleson
Principal

- June 11 ACT WSC 8-12

Scholarships

The Class of 2012 took the ACT or the WorkKeys on April 27, 2011. This test was paid for by the local school district. Students who missed this test can retake the test on May 11, 2011. Ms. Koperski encourages anyone who had questions to contact her at her high school office at 572-0967.

FastWeb!

Is a resource for students to help them find money for college. You might even win a scholarship. You can also find your dream college. Check this site out at www.fastweb.com

NCAA Clearinghouse Information

Student-athletes who plan to attend an NCAA Division I or NCAA Division II college or university and who plan to participate in athletics, should go to the following site for information.

http://www.eligibilitycenter.org/ECWR2/NCAA_EM_S/NCAA_EMS.html# From the home page, click on "create an account." That page has a link to the guide, as well as other helpful information regarding the Division I and Division II eligibility rules.

ACT Registration

WHS HIGH SCHOOL CODE 351-880

The number of students who register for the ACT online has steadily increased each year; nearly half of the WHS students who wrote the ACT last year, registered online. The flier is located in the counselors' office that will guide you through that process. The traditional method of registration can still be done, and those packets are in the counselors' office as well. The benefits of registering online are that you can complete your registration 24/7; you will get your admission ticket sooner; you will have access to the most up-to-date list of locations so you can get the best choice of test centers. The cost of taking the ACT is \$38 without the writing and \$48 if you select to do the writing. To register online, go to www.actstudent.org

SAT Registration

The easiest way to register for the SAT is to visit www.sat.collegeboard.com/register. You will get immediate confirmation of your registration. The

SAT is given in Williston on November 6. Deadline to register for this date is October 8.

testGear

WHS has had a site license for Choices and testGear purchased by Student Loans of North Dakota. testGear is an online tool that gives students the practice they need to reach their full potential on the college entrance exam ACT. This online learning system adapts to each student's needs by targeting their weaknesses and helping them to build necessary skills. Stop by the counselors' office to pick up your instructions in how to use the program. Workshops will be held this fall for students and their parents to attend in order to learn how to best utilize the program.

ND Scholars Program

This program recognizes outstanding ND high school seniors for scholastic achievement as measured by their ACT scores. Those students who are selected must enroll in a ND college or university and will be awarded an in-state tuition scholarship. To be considered you must be scheduled to graduate from a ND high school in 2012, attend a ND college or university and take the ACT on one of the following test dates - December 11, February 12, April 9, or June 11. Information is in the counselors' office.

North Dakota Scholarship Opportunities

There are 2 opportunities for North Dakota students to academically earn scholarship money to attend any of the post-secondary institutions in North Dakota. Students who receive a 24 composite score on the ACT can receive \$750 per semester for up to four years of post-secondary

educational costs. This could amount to as much as \$6000 and once they are in college they must maintain a 2.75 college GPA.

For the Class of 2011 and beyond, the requirements are as follows: For the Academic Scholarship you must meet the following requirements. 1) 1 credit of Algebra II; 2) 1 credit for a math with Algebra II as a pre-requisite; 3) 2 credits of the same foreign language or Native American language; 4) 1 credit of fine arts or career and technical education; 5) 1 additional credit of a foreign language, fine arts, or career and technical education; 6) obtain a grade of a "C" in each credit or half-credit required for the diploma; 7) have a cumulative GPA of at least a "B"; 8) a 24 on the ACT and 9) 1 credit of an advanced placement course with the examination or a dual-credit course.

For the Career and Technical Scholarship for the class of 2011 and beyond, the requirements differ. To receive the scholarship you must meet:

1) 1 credit of Algebra II; 2) 2 credits of an approved plan of study of career and technical education coursework; 3) 3 additional credits, 2 of which must be in the area of career and technical education; 4) obtain a "C" in each credit or half-credit required for the diploma; 5) obtain a cumulative grade point of a "B"; 6) receives either a 24 on the ACT or earns at least a 5 on each of the 3 WorkKeys Assessments.

PARENTS:

It is your responsibility to let the school know when your child is not going to be in attendance. Your student/students will be considered unexcused until we've received verification from you that they had your permission to be out of class. Please be advised that unexcused absences can have an impact on your student's grades as the absences may result in a zero on assignments/tests etc. So please do your part to ensure that your student/students are receiving the grade they deserve by verifying their absences.

And please familiarize yourselves with our 8 & 16 policy (see below). Because as you now have the same information available to you on PowerSchool that we have, we're requesting that you consult PowerSchool frequently to stay up-to-date with your child's attendance. The WHS Attendance Office is no longer assuming responsibility for calling parents regarding all unexcused absences but will try to consult you when we notice patterns developing or suspect that a student is skipping class.

8/16 POLICY. A student must not be absent from a class more than eight times for a semester course or sixteen times for a full year course. As a matter of procedure, the Attendance Office will try to notify parents by letter whenever a student has accumulated five or more non-school related absences in a class. From then on, it is the student's responsibility to monitor his/her attendance to avoid credit loss. Upon a student's ninth absence in

a semester course or seventeenth absence in a full-year course, (excluding absences due to school activities, medical absences supported by a physician's written verification of specific illness, and in-school suspension), the assistant principal will send the parent/guardian written notice of credit loss. If the parent/guardian would like to have the credit loss reviewed, a meeting may be requested with the assistant principal and the Attendance Review Board by contacting the assistant principal within three school days from the date the parent/guardian was first notified of the credit loss. The meeting must be held within five school days of the request or may be delayed if agreed upon by the parent/guardian and the assistant principal.

EXTENUATING CIRCUMSTANCES. Extenuating circumstances will be determined by the administrative office. Students may receive homebound tutor services, prior to, at the time of, but no later than one week following, the absence.
•EXTENUATING ABSENCES WILL BE MARKED AS EXTENUATING AND WILL NOT COUNT AGAINST THE 8/16 POLICY BUT WILL COUNT AGAINST THE TESTING POLICY

••THE WHS ATTENDANCE OFFICE IS NO LONGER WRITING TARDY PASSES. STUDENTS ARE TO REPORT DIRECTLY TO THEIR CLASSROOM WHEN THEY ARE RUNNING LATE••

FBLA News

*LOCAL STUDENTS ATTEND NORTH DAKOTA
FUTURE BUSINESS LEADERS OF AMERICA
STATE LEADERSHIP CONFERENCE*

Twenty-four members of the Williston High School Future Business Leaders of America (FBLA) chapter attended the ND FBLA State Leadership Conference in Grand Forks March 27-29. Over fifty FBLA chapters from across the state participated in this conference, where approximately 1,200 students had the opportunity to test their business skills against other students from around the state.

The most exciting aspect of the conference is the competitive events program. Students have the opportunity to test the business skills they've learned in the classroom in a variety of individual, team, and chapter events. Students can enter events such as accounting, computer applications, public speaking, job interview, website development, or networking concepts. The culmination of the competitive events program is the awards ceremony where winners are recognized for their accomplishments. In addition to the competitive events program, students had the opportunity to attend workshops, business tours, and college tours. A new team of state officers were also elected at the conference.

We had several individuals place at state this year. They are as follows.
1st Place in Business Math – Emily; Will placed 3rd in Technology Concepts and 8th in Computer Problem Solving; Ben placed 8th in Computer Applications; Mallory placed 6th in Word Processing and 10th in Business Communications; Brie placed 4th in Business Communications; and Marcus placed 4th in Business Calculations and 1st in Sports Management. Both Marcus and Emily qualified for nationals in Orlando, FL in June with their 1st place finishes.

FBLA is a professional organization for students interested in pursuing business careers. This year's theme of "Breaking Barriers," reflects the goals of FBLA members, some of the best and brightest of today's young people. Its mission is to bring business and education together in a positive working relationship through innovative leadership and career development programs. To learn more, visit FBLA's website at www.nd-flba.org.

Thank you for your support!
Dana Michaelson, FBLA Advisor

Top Ag. Mechanics Exhibitor- Reid

Top Salesperson- Toby

Star Greenhand- Reid

Dekalb award- Olivia

•First and second year FFA members received their degree pins.

•Many members also received plaques for the activities they participated in this past year.

Officer elections-

Williston FFA officers will be elected for the 2011-12 school year during the May meeting.

State FFA convention-

The State FFA convention will be held in Fargo, June 6-10.

Members will be conducting the annual business and will elect next years officers. They will have the opportunity to participate in things such as Ag. Mechanic contest, Horse judging, Floral and Nursery Judging, Band, Chorus, Small animal care, Food science and others.

County and State Fair-

FFA members will be exhibiting grain samples and projects they have constructed during the school year at each of these fairs in June and July.

Pre-Participation and Physical Exam Requirements Updated by NDHSAA Member Schools

At the North Dakota High School Activities General Membership meeting January 28, 2010, in Bismarck, representative school administrators passed an amendment to the NDHSAA Constitution and By-Laws concerning student physical examinations.

Starting with the 2010-11 school year, student athletes participating in NDHSAA sanctioned sports programs will be required to file a pre-participation health history screening and physical examination with their school office prior to their participation on a yearly basis.

Previously, student athletes participating in NDHSAA sanctioned sports were required to have a physical examination every 2 years. The purpose of changing from every 2 years to every year is to protect athletes from any undiscovered health concerns. School administrators passed the amendment 68/7.

For more information, please visit www.ndhsaa.com.

Brian Bubach
NDHSAA

Tardy Passes...

The WHS Administration has requested that the Attendance Office not write tardy passes for students who are late even if a parent calls to excuse them. It is suggested that you request the teacher's extension for the class that your student will be late for and leave a message for them.

Thank you for your cooperation.

NHS News

March has been a busy month for the National Honor Society. Students offered service to St. Peter's Pancake Supper, the James Memorial, and the Vannatta Support Rally. In March the NHS also participated in their state service project – Daffodil Days. The Williston chapter distributed 550 pre-sold bunches of daffodils on March 21st. The Williston chapter of NHS sent over \$5,500 to the American Cancer Association.

At our April meeting we will hold an election for the 2011-2012 officers. Members also plan to offer service in April at Marketplace for Kids, Week of the Young Child event, and assisting the WHS Leos chapter.

The highlight for April is the State Leadership Conference in Bismarck on April 17 and 18. Ten students plan to attend this conference. Katie is currently serving as the State NHS Class A Representative. She has represented Williston and herself extremely well in the past year. Katie is also a winner of the 2011 North Dakota Horatio Alger Scholarship.

Operation Graduation "IT'S A JUNGLE OUT THERE"

2011

Senior Parents.

A letter containing information about Operation Graduation was mailed to you in April. This is an opportunity for ALL of the graduating class of 2011 to get together and create memories that will last a lifetime. If you have not completed and returned the form for pre-registration, please do so ASAP! This needs to be done now (recommended) or can be done that night; but the form requires a student AND parent signature, so NOW is EASIER!

The Seniors will register on May 29th at 7.30 p.m. in the WHS Commons Area. They will be transported by bus to the undisclosed location. Students will be returned to WHS around 4.30 a.m.

Operation Graduation is coordinated through the Community Traffic Safety Program and the Senior Parent Committee, in cooperation with the schools, law enforcement, and community.

If you have questions, please contact Tammy Rolla (572-6698 after 5 pm) or Beth Johnson (572-1118 after 5 pm)

Attention Seniors!

Graduation is drawing near! Plan to attend the all-night party on May 29th! You will register at WHS Commons beginning at 7.30 pm, jump on the bus, and head out to a mystery location for a night filled with fun! The main event will be a hypnotist, and there will be karaoke, a rock wall, mechanical bull, bouncing boxing, monster trykes, dancing heads, carnival games and lots of prizes! There will be plenty of food, so don't worry about going hungry! You and your classmates will have a "WILD" adventure, so plan to attend!

ideas for parents

Easy Ways to Build Assets for and with Your Child

FAST FACTS

**ASSET
CATEGORY**

**Positive
Identity**

The more a child has a sense of power, purpose, worth, and promise, the more likely he or she is to grow up healthy.

**Youth
Speak**

- "Remind me that I'm worthwhile."
- "Encourage me to give tough things my best shot."
- "Understand that I hope things will go well for me in the future."

The Power of a Positive Identity

Our identities are always in a state of flux. Depending on what's currently happening in your life, you may feel confident or unsure, optimistic about the future or pessimistic, that you have some control or little control. These ups and downs are normal for you and they're normal for your child. It's also normal for your child's identity to vary from situation to situation. For example, your child may have a much more positive sense of her or his athletic 'self' than social 'self' (or vice versa).

What's important, however, is what a person's identity is like most of the time. People who have a strong sense of self still maintain that sense even when difficulties arise. They continue to be hopeful, optimistic, and believe they can make a difference, even when circumstances seem to be trying to persuade them otherwise.

What do you think of the identity your child is forming? Is this someone you like? Is this someone who surprises you at times? Is this someone who, overall, has a sense of purpose, power, worth, and promise?

While identity is partially determined by genetics, you still have a lot of influence on bringing out the best in your child. The way

you interact with your child helps your child feel loved or unloved. The ways you respond to your child's successes, mistakes, actions, and words also build either a sense of positive or negative identity.

The positive identity assets tie in closely with the support assets. A child who feels loved, supported, and nurtured is more apt to feel good about her- or himself. Children whose home, school, neighborhood, and community see the best in them are more apt to bring out the best in themselves. The choice is ours. Love children, and children will learn to love themselves.

Quick Tip:
Develop your child's identity with love and support.

4 Key Areas of Positive Identity

Search Institute researchers have identified four positive-identity assets that are crucial for helping young people grow up healthy. Check the areas of strength in your child's life:

- Personal power**—Your child feels he or she has control over things that happen to her or him.
- Self-esteem**—Your child reports having a high self-esteem.
- Sense of purpose**—Your child reports that her or his life has a purpose.
- Positive view of personal future**—Your child is optimistic about her or his personal future.

Look to future newsletters for details on all four positive-identity assets!

Positive Identity through the Years

Age Ways to Encourage Positive Identity Formation

- 0-1
 - Love, respect, and accept children unconditionally.
 - Delight in each child's unique personality.
 - Create positive interactions. Play together in ways that make infants laugh and enjoy the time together.
- 2-3
 - Focus on the behavior; do not blame children when correcting their inappropriate behaviors.
 - When children say phrases such as "Me do it," let them.
 - Create an atmosphere that is loving, supportive, and affirming so that children enjoy and feel good about their environment.
- 4-5
 - Encourage children to take pride in their cultural heritage.
 - Break new tasks into small, manageable steps that children can master without becoming too frustrated.
 - Use only positive and encouraging phrases around children. For example, say "Let's try it" instead of "That won't work" or "That looks hard."
- 6-10
 - Respect the decisions children make.
 - Focus on your child's strengths and encourage her or him in these areas.
 - Encourage children to seek out answers and solutions when they face obstacles or difficult times.
- 11-15
 - Encourage your child to explore and experiment within her or his areas of interest and ability.
 - Expect your child to experience ups and downs of self-esteem during these years, and for it to increase as he or she gets older.
 - Avoid comparing your child with others.
- 16-18
 - Continue to support your teenager as he or she struggles with issues and questions of identity.
 - Show your teenager the positive possibilities in her or his future.
 - Delight in your teenager's talents, capabilities, and discoveries. Share your delight.

Helpful Hints

Tips that make developing a positive identity in your child easier:

- **Think of yourself as a mirror. What are you reflecting back to your child in terms of her or his self-image?**
- **Examine your own identity. What needs support? What's strong?**
- **Encourage your children to be themselves while guiding and supporting them.**
- **Focus on the positive. Look for the best in your child.**

A Worthwhile Question

Have each family member answer this question: **What makes you feel worthwhile?**

More Help for Parents

Feeling Great: Teaching Children to Excel at Living by Terry Orlick. This book emphasizes children's total development and has more than 100 fun-filled activities to do as a family. (Published by Creative Bound Inc.)

Final Word

"The optimal way to value your child: Discover your child's assets and strengths and spend time encouraging and emphasizing them."

—Kevin Leman, psychologist
