The Coyote Howl

Volume XVI Issue 11

Williston High School

October 2011

Principal's Page

We are experiencing an amazing fall in that the leaves are beginning to change and the weather is still holding onto thoughts of summer. Hopefully we can maintain this weather pattern well into October.

Coyote's In the News

Congratulations go out to Jocelyn Walz and Lyle Lordemann for being named as the 2011 Homecoming queen and king. Talk about two very nice young, well-deserving young people.

Parent Forum

Deb Kemp chatted with me during float building and stated that the funding used to hire a coordinator for "Operation Graduation" is no longer available. This month's parent forum will be for the Senior parents so they can coordinate as a group and nominate leaders to continue this much needed event for their graduates. If you know who has the box with all the information (people to contact, places to reserve etc.), please contact me so we can hand this information to the leaders. The forum will be on October 11th in the auditorium at 7.00 pm.

School Codes:

With the increased awareness of school safety, WPSD#1 has implemented emergency code procedures in order to protect our students and faculty. In the past few days we have experienced first hand how these codes work. This is a synopsis of each code.

Yellow-This would be if a situation is happening at another school or determined by Administration.

Orange-This would include situations where police would be contacted. This code would not be used for non-violent situations when police are called on campus.

Red-High Alert. This would be an intruder on campus and a total lockdown of the school.

Dates to remember

State testing **November 1, 2, 3.**

Veteran's Day **November 11th** No School

Parent teacher conferences **Nov. 3 and Nov 8.**

Thanksgiving **November 24 and 25** No School

PARENTS:

The faculty recognizes regular attendance as necessary to ensure continuity in the educational process. Classroom learning experiences are a meaningful and essential part of any educational system. Time lost from class is irretrievable, particularly a student's opportunity for interaction and exchange of ideas with teachers. The absent student loses the benefits of lectures, discussions, and participation with other students. WHS considers consistent and timely attendance a major responsibility of both students & parents.

Parents

It is your responsibility to let the school know when your child is not going to be in attendance. Your student(s) will be considered unexcused until we've received verification from you that they had your permission to be out of class. Please be advised that unexcused absences can have an impact on your student's grades as they may result in a zero on assignments, tests etc. So please do your part to ensure that your student(s) are receiving the grade they deserve by verifying their absences.

Attendance.

Please familiarize yourselves with our 8/16 policy (listed below). Attendance information is available to you on PowerSchool, we are requesting that you consult PowerSchool frequently to stay up-to-date with your child's attendance. The WHS Attendance Office is no longer assuming responsibility for calling parents regarding all unexcused absences but will try to consult you when we notice patterns developing or suspect that a student is skipping class.

All Freshmen, Sophomores and Juniors who are placed in a Study Hall must attend that class.

8/16 Policy. A student must not be absent from a class more than 8 times for a semester course or 16 times for a full year course. As a matter of procedure, the Attendance Office will notify parents by letter whenever a student has accumulated 5 or more non-school related absences in a

class. From then on, it is the student's responsibility to monitor his/her attendance to avoid credit loss. Upon a student's 9th absence in a semester course or 17th absence in a full-year course, (excluding absences due to school activities, medical absences supported by a physician's written verification of specific illness, and in-school suspension), the assistant principal will send the parent/guardian written notice of credit loss.

Class Admits. All absences must be cleared through the office by a phone call or personal contact from the parent or guardian. This is necessary to be admitted to school and class after an absence. Absences that have not been verified by a parent are considered unexcused and may result in your student receiving detention and a zero on his/her assignments, tests etc.

Extenuating Circumstances. Extenuating circumstances will be determined by the administrative office. Students may receive homebound tutor services, prior to, at the time of, but no later than one week following, the absence.

*EXTENUATING ABSENCES WILL BE MARKED AS EXTENUATING AND WILL NOT COUNT AGAINST THE 8/16 POLICY BUT WILL COUNT AGAINST THE TESTING POLICY.

Medical Absences. An extended absence due to surgery or serious illness - medical excuse required. A doctor's excuse for absences of one or more consecutive days from school will be accepted by administration but must be received within one week after the student returns to school.

*ALL MEDICAL EXCUSES ARE ACCEPTED AT THE DISCRETION OF ADMINISTRATION.

Extended Illness. Students who have a medical recommendation to remain home for an extended period of time (3-5 days) should contact one of our counselors to have an attendance modification plan put into place.

•THE WHS ATTENDANCE OFFICE IS NO LONGER WRITING TARDY PASSES. STUDENTS ARE TO REPORT DIRECTLY TO THEIR CLASSROOM WHEN THEY ARE RUNNING LATE•

NEW CELL PHONE POLICY

CELL PHONES/ELECTRONIC DEVICES/GAMES.

Phones and all electronic devices are to be turned off and out of sight from the time students enter the building in the morning until 3:20. The commons and external exits are designated "safe zones" before and after school and during lunch break. Students shall be allowed to use their electronic devices in these areas at those specific times. If a student is caught using their electronic devices at any other time we will follow the current policy with regards to consequences.

Teachers may allow students to use electronic devices within their own classroom at the teacher's discretion, i.e. listen to music during study periods, using electronic devices to look up terms or search for information on the internet, etc.

IF YOUR PHONE IS CONFISCATED.

1st Offense - The phone is kept until the end of the day, or the end of the following day if it is taken after lunch.

2nd Offense - A Parent must come and get the phone at the end of the next day.

3rd Offense - The phone will be returned at the end of the week, or after the weekend, at the end of the day. The phone will be kept for a minimum of 3 days

The policy will be in effect for the fall semester of 2011-2012 and will be reevaluated at the end of the semester to determine if we need to go back to the original policy.

district. Please include name, school, and grade level. If you do have a student ID, place the order, then scan/fax your Staff ID badge to e-academy.

Attention all Parents. Classroom fees for first semester will be mailed out in October and must be paid before your child takes final exams or before picking up caps and gowns. One of the things we do as a fundraiser/community service is collecting Ink Cartridges and sending them in to be recycled. If you have ink cartridges you need to get rid of, don't throw them away. Instead, send them to the high school via mail or with your son or daughter. They can be brought to Room 219 or sent to Williston High School, c/o Dana Michaelson, 502 W. Highland Dr., Williston, ND 58801. Be aware that this is for "INK CARTRIDGES" not toner, which would be used in a laser printer.

Your child can also pick up mechanical pencils from Mrs. Michaelson in Room 219 for 50 cents should they forget to bring one or run out.

Also don't forget our store "COYOTE CORNER" located in the concession area of the Phil Jackson Field House for all your Coyote souvenir needs. We also have LED pom poms and Rockstar glasses available for \$5 in our store. They will be available until they are gone.

On October 2 and 3 our officers will attend officer training in Bismarck. They will be learning leadership skills and what their duties as an officer entail. The officers attending the training are: Will, Paul, Eddie, Ben, Mallory, Alyssa, and Hannah.

Thank you for your support!

Pre-Participation and Physical Exam Requirements Updated by NDHSAA Member Schools

At the North Dakota High School Activities General Membership meeting January 28, 2010, in Bismarck, representative school administrators passed an amendment to the NDHSAA Constitution and By-Laws concerning student physical examinations.

Starting with the 2010-11 school year, student athletes participating in NDHSAA sanctioned sports programs will be required to file a pre-participation health history screening and physical examination with their school office prior to their participation on a yearly basis.

Previously, student athletes participating in NDHSAA sanctioned sports were required to have a physical examination every 2 years. The purpose of changing from every 2 years to every year is to protect athletes from any undiscovered health concerns. School administrators passed the amendment 68/7.

For more information, please visit www.ndhsaa.com.

Tardy Passes...

The WHS Administration has requested that the Attendance Office not write tardy passes for students who are late even if a parent calls to excuse them. It is suggested that you request the teacher's extension for the class that your student will be late for and leave a message for them.

Thank you for your cooperation.
