

# The Coyote Howl

## “Principal’s Page”

Well, the Coyote boy’s hockey team got to the championship game and played very well against Bismarck High. It was a close one up until the third period and then a questionable goal by the Demons allowed them to pull ahead and win the WDA. Hopefully, we will be able to get some payback at the “Ralph”.

The wrestlers did well at the state tournament and three wrestlers placed. Luke M. took fourth, Eddie M. took fifth and Morgan A. took sixth. Congratulations on a successful season.

### Scheduling

We have distributed registration guides to all students the last few days. Please look over the registration guide with your daughter/son. There have been some changes that you need to be aware of. The English department has changed their requirements. Senior English is being broken in two for British Literature and the students will have options for their composition class.

The English and History departments have collaborated on a class that will be in a two-hour block. The class is called “American Pageant”. The class will be team-taught between Mrs. Hall and Mrs. Bervig. It will be a combination of Junior English and US History. The students will take this in a two-hour block and they will receive both English and US History credit. We are truly looking forward to this new opportunity.

### Freshman Requirements

Senate Bill 2309 contains the new high school graduation requirements. This new law states that the incoming freshman class will be required to take 24 credits to graduate from any high school in North Dakota. This is a two credit jump from the 2010 graduates. Because of this, please be aware that if you have an incoming freshman, they will need to be in 6 classes at a minimum and will be in a study hall in order to allow for time in school to get assignments completed.

Therefore, the incoming freshman schedule will be locked in from 8 to 3:20. Please make a note of this when you are registering for next year.

### Tournaments

We are currently in the tournament season and it is time to address how to handle attendance if you are going as a spectator. If you are planning to attend any of the state tournaments to watch the Coyotes play, you will need to do several things so that the days are excused from the 8/16 policies and testing policies.

1. Have a parent call in the absence, in advance, to the attendance secretary.
2. Get an advanced make-up slip.
3. Have ALL teachers sign the make-up slip.
4. Return the make-up slip to the attendance secretary.
5. Report in to the WHS administrator in charge of the activity each day to be counted on the roll sheet.

Failure to comply with the stipulations above will result in the absence(s) counting towards the 8/16 policy and testing.

Professionally,

Chris Kittleson

## Healthy Williston...Healthy Youth and the 40 Assets Kids Need to Succeed

By: Kathy Bingeman

We have visited before that building assets does not require special training...it's the simple things we do everyday that make a difference. But, again, what IS an asset? The first four asset categories (Support, Empowerment, Boundaries and Expectations, and Constructive Use of Time) focus on external structures, relationships, and activities that create a positive environment for young people; the next four categories (Commitment to Learning, Positive Values, Social Competencies, and Positive Identity) reflect internal values, skills, and beliefs that young people also need to fully engage with and function in the world around them.

Let's compare assets to puzzle pieces. The more assets (or puzzle pieces) our youth have from each of the 40 assets, the more likely they are to make positive choices and avoid high-risk behavior. Just as fitting together more puzzle pieces makes a puzzle more difficult to fall apart, the same analogy applies to building assets in our youth. These assets are not built overnight, unlike the physical puzzle, so remember that "our puzzle" is a work in progress.

**BOUNDARIES AND EXPECTATIONS:** is an external asset group that includes individual assets of Family Boundaries, School Boundaries, Neighborhood Boundaries, Adult Role Models, Positive Peer Pressure, and High Expectations.

Our youth are asking us to listen to them:

- Please help me stay within fair limits for my behavior.
- Please ask me about whom I admire.
- Please challenge me to succeed and comfort me if I fail.
- Please encourage me to always do my best!

They tell us, "I clearly know what is 'in bounds' and 'out of bounds' in the way that I act. It seems like my family, school, and community all enforce the same rules! At any rate, they all expect a lot from me. I like that challenge."

You can do simple things to show kids you care - NOTICE them - SMILE a lot - LEARN their names - HUG them - RESPECT them. I know how old I am.....definitely not what you would call a 'kid'.... but I love to show other people that I care; AND I also feel good when others show that they care about me.

Are you already doing the things we have talked about? If you are, great...if not, well, you can start today. For more information on the 40 assets and Healthy Williston...Healthy Youth, see the website at [www.healthywilliston.com](http://www.healthywilliston.com) or call me at 774-7417. Next month, we'll talk about the last group of external assets called CONSTRUCTIVE USE OF TIME.

## Student Council News

Wow, has this been a busy month! Student Council once again sold roses for Valentine's Day. The students chose from four different message slips to purchase and send with a rose. This year the proceeds went to the Holm family. We also made heart necklaces for everyone to exchange with their friends on Valentines Day, which everyone enjoyed! Student Council had a *Support the Troops Fundraiser* again this year. We collected items throughout the school and have boxed and sent them off to troops, which I am sure they will greatly appreciate. Student council would like to thank everyone who helped us out through this busy month!

Our Annual Dodgeball Tournament is set for Tuesday, March 18. It is only one dollar to watch and we are forming teams now. Also, Friday, March 28, is the date of our annual Spring Fling Dance to end our March spring activities.

Student Council Secretary,  
Ryan M.

## WHS SADD Plans for State Conference

Once again, the Williston High School SADD Chapter will be attending the state conference in Jamestown. The dates are March 16-18 and this year's theme is "America's Next Top (Role) Model." This event is always the highlight of the year. During that time, students will participate in workshops, listen to motivational speakers, and network with over 600 SADD students from all across the state. Students come back re-charged for another year.

This winter, some of the SADD members have begun the elementary program, *Reality Check*, which involves seven lessons for grades 4-6. Elementary teachers allow SADD members to come into their classroom for a half hour a day, to share their knowledge on topics such as peer pressure, body image and the consequences of tobacco use, and alcohol and drug abuse. It is a wonderful opportunity for SADD members to provide positive peer influence.

SADD is about having good, clean fun, and on February 14, WHS SADD sponsored a Valentine dance for Williston Middle School students. Much fun was had by all in attendance!

SADD Advisor
