The Coyote Howl

“Principal’s Page”

We are currently experiencing an extended fall and it is very nice. Last week was Teachers Convention so we had a short break and, this weekend, we turn back the clocks to standard time. The cross country teams performed very well this past weekend. Caleb S. was in the top ten finishers in the state and the team finished ahead of their expectations with a third place finish. On the ladies side, Whitney H. also finished in the top ten and received all state honors for the third time. She is also a finalist for the senior athlete of the year. Great job coyotes!!

Tardy Policy

I’m sure your son/daughter has probably already talked to you about the renewed emphasis on the tardy policy. We are experiencing some challenges on campus with some students who feel that the bell does not mean you need to be prompt. Therefore, with the help of the counselors and staff, we at WHS have decided to maintain high expectations for all students and require them to be on time all the time every time. This is a life skill that is necessary in any occupation and shows that we here at WHS care about maintaining a professional work environment so that students know the importance of punctuality.

If a student does not arrive prior to the bell, then they are escorted by either the counseling or administrative staff to the area of the building that needs beautification. This is done on the hour so that our campus is currently as clean as it has been since the beginning of the school year. Many students are learning that we are serious about their education and life skills with regards to work expectations. We are confident that in short order, our campus will once again be clean and our students won’t be left behind in the halls.

There will be a meet and greet with all cast members after each performance.

Please mark these dates on your calendar and help support the Fine Arts Department of Williston High School.

ACT Registration

Williston High School Code: 351-880

The number of students who register for the ACT online has steadily increased each year. Nearly half of the WHS students who wrote the ACT last year registered

online. The flier is located in the counselors' office that will guide you through that process. The traditional method of registration can still be done and those packets are in the counselors' office as well. The benefits of registering online are that you can complete your registration 24/7, you will get your admission ticket sooner and you will have access to the most up to date list of locations so you can get the best choice of test centers. The cost of writing the ACT is \$31 without the writing test and \$46 if you select to do the writing. To register online, go to www.actstudent.org

SAT Registration

The easiest way to register for the SAT is to visit their website at www.collegeboard.com You will get immediate confirmation of your registration. The cost of the SAT reasoning test is \$43. The SAT is given in Williston on November 7. Deadline to register for this date is October 2.

testGear

WHS has a site license for Choices and testGear purchased by Student Loans of North Dakota. testGear is an online tool that gives students the practice they need to reach their full potential on the college entrance exam ACT. This online learning system adapts to each student's needs by targeting their weaknesses and helping them to build necessary skills. Stop by the counselors' office to pick up your instructions on how to use the program. Workshops will be held this fall for students and their parents to attend in order to learn how to best utilize the program.

New ND Scholarship Opportunities

There are two brand new opportunities for ND students to academically earn scholarship money to attend any of the post-secondary institutions in ND. Students who receive a 24 composite score on the ACT can receive \$700 per semester for up to four years of post-secondary educational costs. This could amount to as much as \$6000 and, once they are in college, they must maintain a 2.75 college GPA.

For the graduates of 2010, the two scholarships are the ND Academic Scholarship and the ND Career & Technical Scholarship. For the ND Academic Scholarship, the student needs to have the ND Department of Public Instruction certify that the student received a 24 on their ACT and the money then will be sent each semester to that designated ND institution.

For the ND Career Scholarship, the student either needs to earn a 24 on the ACT or take the WorkKeys assessment program from ACT and earn at least a five on each of the three tests. The WorkKeys assessment consists of Reading for Information, applies

Mathematics and Locating Information. The Class of 2010 will have until February 6, 2010 to take the ACT test or WorkKeys test.

For the Class of 2011 and beyond, the requirements change drastically. For the Academic Scholarship, you must meet the following requirements: 1 credit of Algebra II, 1 credit for a math that Algebra II is a pre-requisite, 2 credits of the same foreign language or Native American language, 1 credit of fine arts or career and technical education, 1 additional credit of a foreign language, fine arts or career and technical education, obtain a grade of a "C" in each credit or half-credit required for the diploma, have a cumulative GPA of at least a "B", a 24 on the ACT and 1 credit of an advanced placement course with the examination or a dual-credit course. For the Career and Technical Scholarship for the Class of 2011 and beyond, the requirements differ. To receive the scholarship, you must meet these requirements: 1 credit of Algebra II, 2 credits of an approved plan of study of career and technical education coursework, 3 additional credits, 2 of which must be in the area of career and technical education, obtain a "C" in each credit or half-credit required for the diploma, obtain a cumulative GPA of a "B", receive either a 24 on the ACT or earn at least a five on each of the three WorkKeys Assessments.

There are still many different items to work out with this new legislation that was created by the 2009 ND State Legislature. In addition to these items, the Class of 2011 will be taking the ACT or the WorkKeys Assessment on April 28, 2010. This test will be paid for by the local school district. Miss Koperski encourages anyone who has questions to contact her at the high school at 572-0967, extension 8253.

ND Scholars Program

This program recognizes outstanding ND High School seniors for scholastic achievement as measured by their ACT scores. Those students who are selected must enroll in a ND college or university and will be awarded an in-state tuition scholarship. To be considered, you must be scheduled to graduate from a ND High School in 2011, attend a ND college or university and take the ACT on one of the following test dates:

December 12

February 6

April 10 & 28

Ignition...

Williston High School's new mentorship program, is off and running! Thirty sophomore through senior students have been trained to help make freshmen transition a positive experience for students and to help improve their overall performance in school. The freshmen have been divided into groups of 10-12 students and are led through various activities and discussions once a month. September's theme was "Get Connected," and the mentors discussed some of the extra-curricular activities in which students can be involved. Research shows that students who are involved in extracurricular activities are more successful in school. October's theme was "Making the Grade," and mentors shared some tips for being more successful in school. This year's mentors for WHS are: Rachel A., Nicole K., Angela L., Eddie M., Billy P., Rachel R., Nicky S., Amanda S., Katrina W., Kristen C., Megan F., Kinzi F., Katie H., Paige H., Sam J., Megan M., Victoria T., Dan B., Macy B., Angela G., Karissa K., Angel K., Paige L., Luke L., Vance N., Kinsi O., Megan R., Mathias S., Chance T. and Andrea T. If you know one of these mentors, thank them for their efforts!

ATTENDANCE POLICY

The faculty recognizes regular attendance as necessary to ensure continuity in the educational process. Classroom learning experiences are a meaningful and essential part of any educational system. Time lost from class is irretrievable, particularly a student's opportunity for interaction and exchange of ideas with teachers. The absent student loses the benefits of lectures, discussions, and participation with other students. This school district, therefore, considers encouragement of consistent and timely attendance a major responsibility.

Parents:

It is your responsibility to let the school know when your child is not going to be in attendance. Your student/students will be considered unexcused until we've received verification from you that they had your permission to be out of class. Please be advised that unexcused absences can have an impact on your student's grades as they may result in a 0 on assignments/tests etc. So please do your part to ensure that your student/students are receiving the grade they deserve by verifying their absences.

Please familiarize yourselves with our 8 & 16 policy (see below). Because you now have the same information available to you on PowerSchool that we have, we're requesting that you consult PowerSchool frequently to stay up-to-date with your child's attendance. The WHS Attendance Office is no longer assuming responsibility for calling parents regarding all unexcused absences but will try to consult you when we notice patterns developing or suspect that a student is skipping class.

8/16 Policy: A student must not be absent from a class more than 8 times for a semester course or 16 times for a full year course. As a matter of procedure, the Attendance Office will notify parents by letter whenever a student has accumulated 5 or more non-school related absences in a class. From then on, it is the student's responsibility to monitor his/her attendance to avoid credit loss. Upon a student's 9th absence in a semester course or 17th absence in a full-year course, (excluding absences due to school activities, medical absences supported by a physician's written verification of specific illness, and in-school suspension), the assistant principal will send the parent/guardian written notice of credit loss. If the parent/guardian would like to have the credit loss reviewed, a meeting may be requested with the assistant principal and the Attendance Review Board by contacting the assistant principal within three school days from the date the parent/guardian was first notified of the credit loss. The meeting must be held within five school days of the request or may be delayed if agreed upon by the parent/guardian and the assistant principal.

Educate Your Teen on the Dangers of Driving *Under YOUR Influence*

Know. Do some research on this Web site and others regarding teaching your teen how to drive. Know the facts, the dangers, and the best ways to mentor. You've got to be an expert at driving if you want to be effective at helping your teen.

Show. Set a good example. Forget the old saying "Do as I say, not as I do." Teens need to do what you do! If you're not signaling before you merge lanes, how can you expect your teen to? Whether you notice it or not, they are watching. Give them something positive and helpful to watch.

Grow. This will be a learning process for both you and your teen. Be willing to learn from them just as much as you want them to learn from you. Take this opportunity to develop a stronger relationship and as a way to ensure the safety of your child.
