The Coyote Howl

“Principal’s Page”

Welcome to the 2009-2010 school year. We started the year off in a completely different manner in that we have implemented a freshman transition program, *Ignition*. This program was designed by a company called *Focus Training* and several teachers, along with upper class mentors, received training to ensure a successful opening day and first year in high school. The freshman did many different team building activities along with touring the school. Once this was done, they went on an abbreviated schedule so that they could find their classes and meet their teachers. The final activity for the day was a pep assembly where we raffled off the rest of the prizes they had a chance to win. We are confident that in the following years, this will be a positive experience for our “New Coyotes.”

WHS Upgrades

This past summer, five different classrooms were renovated. Mrs. Michaelson’s computer lab was completely gutted. There are new tables, chairs, computers, cabinetry, tile and a fresh coat of paint. Four other classrooms received all the upgrades listed with the exception of computers. These rooms were 109, 110, 111 and 112. By the school year 2014, we are hoping that all of the classrooms have received a facelift.

New Teachers

We would like to recognize our new team members to WHS. Jennifer Loven has accepted the position of RLA English. Gracia Hjermsstad is also a new addition to the English department and is teaching at the senior level. Emily Cowan was a sub in the district and has accepted the position of sophomore English teacher. Jonathan Reames moved from the middle school to teach Biology. Kacy Kirby transferred from Grenora to work in the History department. Andrew Mock came to us from Minot and has taken Kelley Kessler’s position in the Physical Education department. Hugh Long moved from the college to take on the Jobs for America’s

Graduates (JAG) position. Sam Angermeier is working part time at WHS and WMS in special education.

State Sponsored Scholarships

During the last legislative session, the state assembly passed House Bill 1400. This was the education bill. **In this bill, there was a section for the class of 2010 to receive a \$750/semester up to \$3000!** Here are some of the guidelines:

ND Academic Scholarship:

Certification from DPI that student received composite score of 24 on ACT

ND Career and Technical Scholarship:

ACT composite score of 24 or a score of at least five on each of three WorkKeys assessments recommended by the CTE and approved by the superintendent of public instruction. So, if your son/daughter is considering going to college and has attained a 24 on the ACT or completed the assigned requirements on the WorkKeys assessment, they are eligible for a \$750 scholarship.

Important Dates

- Sept. 28-Oct. 2: Homecoming
- Oct. 26-Nov. 13: State Testing
- Nov 9 & 12: Parent/Teacher Conferences

Professionally,

Chris Kittleson
Principal

ACT Registration

Williston High School Code: 351-880

The number of students who register for the ACT online has steadily increased each year. Nearly half of the WHS students who wrote the ACT last year registered online. The flier is located in the counselors' office that will guide you through that process. The traditional method of registration can still be done and those packets are in the counselors' office as well. The benefits of registering online are that you can complete your registration 24/7, you will get your admission ticket sooner and you will have access to the most up to date list of locations so you can get the best choice of test centers. The cost of writing the ACT is \$31 without the writing test and \$46 if you select to do the writing. To register online, go to www.actstudent.org

SAT Registration

The easiest way to register for the SAT is to visit their website at www.collegeboard.com You will get immediate confirmation of your registration. The cost of the SAT reasoning test is \$43. The SAT is given in Williston on November 7. Deadline to register for this date is October 2.

Dates to Remember

September 10 – Fall College Day at WSC

September 18 – Deadline for the October 24 ACT

October 2 – Deadline for the November 7 SAT

October 7 – ASVAB assessment at WHS

October 13 – PLAN test for sophomores

testGear

WHS has a site license for Choices and testGear purchased by Student Loans of North Dakota. testGear is an online tool that gives students the practice they need to reach their full potential on the college entrance exam ACT. This online learning system adapts to each student's needs by targeting their weaknesses and helping them to build necessary skills. Stop by the counselors' office to pick up your instructions on how to use the program. Workshops will be held this fall for students and their parents to attend in order to learn how to best utilize the program.

ND Scholars Program

This program recognizes outstanding ND High School seniors for scholastic achievement as measured by their ACT scores. Those students who are selected must enroll in a ND college or university and will be awarded an in-state tuition scholarship. To be considered, you must be scheduled to graduate from a ND High School in 2011, attend a ND college or university and take the ACT on one of the following test dates:

December 12

February 6

April 10 & 28

June 12

Information is in the counselors' office.

New ND Scholarship Opportunities

There are two brand new opportunities for ND students to academically earn scholarship money to attend any of the post-secondary institutions in ND. Students who receive a 24 composite score on the ACT can receive \$700 per semester for up to four years of post-secondary educational costs. This could amount to as much as \$6000 and, once they are in college, they must maintain a 2.75 college GPA.

For the graduates of 2010, the two scholarships are the ND Academic Scholarship and the ND Career & Technical Scholarship. For the ND Academic Scholarship, the student needs to have the ND Department of Public Instruction certify that the student received a 24 on their ACT and the money then will be sent each semester to that designated ND institution.

For the ND Career Scholarship, the student either needs to earn a 24 on the ACT or take the WorkKeys assessment program from ACT and earn at least a five on each of the three tests. The WorkKeys assessment consists of Reading for Information, applies Mathematics and Locating Information. The Class of 2010 will have until February 6, 2010 to take the ACT test or WorkKeys test.

For the Class of 2011 and beyond, the requirements change drastically. For the Academic Scholarship, you must meet the following requirements: 1 credit of Algebra II, 1 credit for a math that Algebra II is a pre-requisite, 2 credits of the same foreign language or Native American language, 1 credit of fine arts or career and technical education, 1 additional credit of a foreign language, fine arts or career and technical education, obtain a grade of a "C" in each credit or half-credit required for the diploma, have a cumulative GPA of at least a "B", a 24 on the ACT and 1 credit of an advanced placement course with the examination or a dual-credit course. For the Career and Technical Scholarship for the Class of 2011 and beyond, the requirements differ. To receive the scholarship, you must meet these requirements: 1 credit of Algebra II, 2 credits of an approved plan of study of career and technical education coursework, 3 additional credits, 2 of which must be in the area of career and technical education, obtain a "C" in each credit or half-credit required for the diploma, obtain a cumulative GPA of a "B", receive either a 24 on the ACT or earn at least a five on each of the three WorkKeys Assessments.

There are still many different items to work out with this new legislation that was created by the 2009 ND State Legislature. In addition to these items, the Class of 2011 will be taking the ACT or the WorkKeys Assessment on April 28, 2010. This test will be paid for by the local school district. Miss Koperski encourages anyone who has questions to contact her at the high school at 572-0967, extension 8253.

ATTENDANCE POLICY

The faculty recognizes regular attendance as necessary to ensure continuity in the educational process. Classroom learning experiences are a meaningful and essential part of any educational system. Time lost from class is irretrievable, particularly a student's opportunity for interaction and exchange of ideas with teachers. The absent student loses the benefits of lectures, discussions, and participation with other students. This school district, therefore, considers encouragement of consistent and timely attendance a major responsibility.

Parents:

It is your responsibility to let the school know when your child is not going to be in attendance. Your student/students will be considered unexcused until we've received verification from you that they had your permission to be out of class. Please be advised that unexcused absences can have an impact on your student's grades as they may result in a 0 on assignments/tests etc. So please do your part to ensure that your student/students are receiving the grade they deserve by verifying their absences.

Please familiarize yourselves with our 8 & 16 policy (see below). Because you now have the same information available to you on PowerSchool that we have, we're requesting that you consult PowerSchool frequently to stay up-to-date with your child's attendance. The WHS Attendance Office is no longer assuming responsibility for calling parents regarding all unexcused absences but will try to consult you when we notice patterns developing or suspect that a student is skipping class.

8/16 Policy: A student must not be absent from a class more than 8 times for a semester course or 16 times for a full year course. As a matter of procedure, the Attendance Office will notify parents by letter whenever a student has accumulated 5 or more non-school related absences in a class. From then on, it is the student's responsibility to monitor his/her attendance to avoid credit loss. Upon a student's 9th absence in a semester course or 17th absence in a full-year course, (excluding absences due to school activities, medical absences supported by a physician's written verification of specific illness, and in-school suspension), the assistant principal will send the parent/guardian written notice of credit loss. If the parent/guardian would like to have the credit loss reviewed, a meeting may be requested with the assistant principal and the Attendance Review Board by contacting the assistant principal within three school days from the date the parent/guardian was first notified of the credit loss. The meeting must be held within five school days of the request or may be delayed if agreed upon by the parent/guardian and the assistant principal.

LEO's Club Annual Food Drive

LEO's Club will be having their Second Annual Food Drive from September 14-25. Nonperishable donations may be dropped off at the high school office. Food collected will be donated to local food banks.
